

## DETERMINATION OF NONSIGNIFICANCE

**Description of proposal:** Forest Practices Application #2704440. This proposal is for 120 acres of uneven-age timber harvest and 5,900 ft. of road construction with the intention to convert the land out of timber production. Approximately 450MBF will be removed and yarded by cable and ground based systems.

This SEPA review pertains only to the forest practices activities. Subsequent conversion activities may require additional review and County permits.

**Proponent:** Crushe LLC

**Location of proposal, including street address, if any:** Approximately 1 mile northeast of Easton; access is provided by Interstate 90, exit 70, and east on Sparks Road. The harvest is located within the NE ¼, Sec. 12, T20N, R13E.

**Lead agency:** Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
